

Do you have
a
Birthday?

Do you have a Birthday?

What a foolish question! Why would you ask such a stupid question that has an obvious answer? Is there any human being that does not have a birthday?

We were all born on a specific date, at a specific place and of course, we all celebrate that date year in year out.

Oh, I am very sorry, I should have asked the correct question "Do you have a spiritual birthday?"

Your first birthday gives you access into a natural human family and makes you a child of your human father but your spiritual birthday gives you access into a spiritual family and makes you a child of your heavenly Father.

*But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. **John 1:12-13***

The first birth makes you a sinner; the second birth makes you a saint when your sins are forgiven, after you confess them.

*If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. **1 John 1:9***

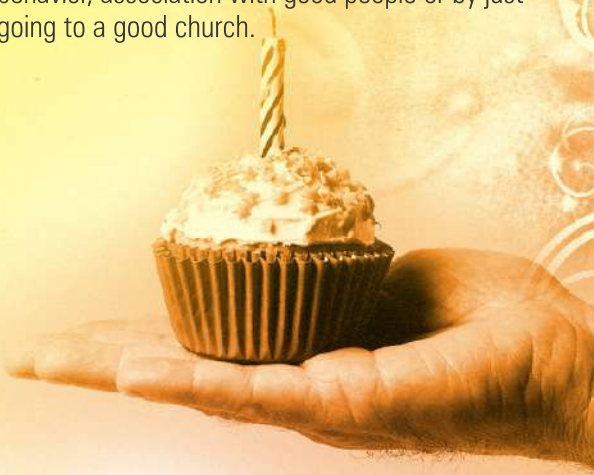

Your first birthday qualifies you for two type of deaths, the first death is a natural death that terminates all natural human life and it can happen at any time! This death ends all opportunities to seek forgiveness and obtain righteousness from God. The second death is a permanent and total separation from God and it is an open access into Hell fire, a place of eternal torment. It was so bad for that "rich man", that a drop of water would make so much difference; it is not a place you want to be. It is a place of permanent hopelessness.

Your second birthday gives
you an opportunity to escape
the second death.

*Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power... **Rev. 20:6***

*But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. **Rev. 21:8***

The second birth is an unforgettable experience. It connects your spirit to your creator and makes you a child once again. It does not happen by good behavior, association with good people or by just going to a good church.

So how does it happen?

By accepting your state of hopelessness as a natural man: a sinner waiting for two deaths.

(Romans 3:23; 3:10)

By consciously coming to Jesus Christ who paid the price to save you from the second death, in deep prayer, acknowledging and confessing your sin(s) and asking for forgiveness.

Please, be specific in your confession to Him.

Finally, ask Jesus Christ to come into your heart and live there permanently.

If you have just followed the steps above, believe that you have been received into the family of God, a spiritual family of people who have been born the second time. It's your birthday! Heaven is bursting with joy for the addition of a new baby.

You are welcome into the family!
