

does not happen by good behavior, association with good people or by just going to a good church.

### So how does it happen?

- \* By accepting your state of hopelessness as a natural man; a sinner waiting for two deaths. (Romans 3:23; Romans 3:10)
- \* By consciously coming to Jesus Christ who paid the price to save you from the second death, in deep prayer, acknowledging and confessing your sin(s) and asking for forgiveness. Please be specific in your confession to Him.
- \* Finally, ask Jesus Christ to come into your heart and live there permanently.

If you have just followed the steps above, believe that you have been received into the

family of God, a spiritual family of people who have been **born the second time.**

It's your birthday!

Heaven is bursting with joy for the addition

of a new baby.

You are welcome into the family!

Do you have  
a  
*Birthday?*

What a foolish question! Why would you ask me such a stupid question that has an obvious answer? Is there any human being that does not have a birthday? We were all born on a specific date, at a specific place and of course, we all celebrate that date year in year out.

Oh I am very sorry, I should have asked the correct question “Do you have a spiritual birthday?”

Your first birthday gives you access into a natural human family and make you a child of your human father but the spiritual birthday gives you access into a spiritual family and makes you a child of an heavenly Father.

**John 1:12 13 (AMP)**

*“But to as many as did receive and welcome Him, He gave the authority (power, privilege, right) to become the children of*

*God, that is, to those who believe in (adhere to, trust in, and rely on) His name. Who owe their birth neither to bloods nor to the will of the flesh (that physical impulse) nor to the will of man (that of a natural father), but to God. (They are born of God!)*

The first birth makes you a sinner; the second birth makes you a saint.

**1 John 1:9 (NIV)**

*“If we confess our sins, He is faithful and just and will forgive us our sins and purify us from all unrighteousness”.*

When your sins are forgiven, you become a saint.

Your first birthday qualifies you for two type of deaths, the first death is a natural death that terminates all natural human life and it can happen at any time! This death ends all opportunities to seek forgiveness and obtain righteousness from God. The second death is a permanent and total separation from God

and it is an open access into Hell fire, a place of eternal torment. It was so bad for that “rich man”, that a drop of water would make so much difference; it is not a place you want to be. It is a place of permanent hopelessness.

Your second birthday gives you an opportunity to escape the second death.

**Rev. 20:6 (NIV)**

*Blessed and Holy are those who share in the first resurrection. The second death has no power over them,*

**Rev. 21:8 (NIV)**

*But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars they will be consigned to the fiery lake of burning sulfur. This the second death. The second birth is an unforgettable experience. It reconnects your spirit to your creator and makes you a child once again. It*
